INTERNSHIP OFFER LETTER

Date:February **23,2026** Intern Id**:INTDS1016**

Dear **Anmol Malviya**,

We are pleased to inform you that you have been selected for the position of Data Science Intern at EventDhara. We are excited to welcome you to our team and look forward to your valuable contributions.

Internship Details

The internship will span a duration of 3 months, commencing from 23rd February 2026. This program is designed to provide you with comprehensive, hands-on experience in Advanced Data Science.

During this tenure, you will be actively involved in our core development cycles, working on high-impact projects that bridge the gap between theoretical knowledge and real-world, industry-scale implementation.

As an intern at EventDhara, you will be expected to maintain high professional standards, meet project milestones, and collaborate closely with your mentors and team members. We are committed to fostering an environment that accelerates your technical growth and prepares you for a successful career in the AI and data science landscape.

Should you require any further clarification or assistance, please do not hesitate to reach out to us.

We wish you the very best for your internship and look forward to supporting you throughout this journey.

Uday

Warm Regards,
